I CERTIFY ON HONOR, That I have minutely inspected the Recruit, *George A Morgan*  
 previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is  
 of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly ob-  
 served the Regulations which govern the recruiting service. This soldier has *Gray Eyes, 12 1/2 hair, Dark*  
 complexion, is *5* feet *6 1/2* inches high.

*James B. Mason Capt*  
 Recruiting Officer.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p.*, &c., &c.; to describe particularly the disability, wound or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward one of these certificates to the Adjutant General United States Army, at Washington, D.C.; they will not be used in any circumstances be given into the hands of the

NOTE 1.—This blank will be used for both enlistments and reenlistments of volunteers, &c., &c., in the Army of the United States. It is to be filled out in all cases—one to accompany the recruiting, return of the recruit, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier has served should be given on the back.

NOTE 2.—An enlistment holds to subject. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, and, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) of the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. NOTE 2.—An enlistment holds to service. A must-in must, in all cases, precede payment of pay, bounty, pension, &c. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments. It is the duty of the recruiting officer, in all cases, to make out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds no service. A soldier-in-army, in all cases, precedes payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Samuel Mose Corp Co I.

Sgt Merrill's Horse having applied  
for a certificate on which to ground  
an application for leave of absence.

I do hereby certify that I have carefully  
examined this officer, and find  
that by a strict construction  
of the U.S. Army Regulations he  
is entitled to a discharge from the  
service, on account of the loss of  
use of the middle finger of the right  
hand, the effect of an accidental  
shot by a pistol ball, through  
the hand at the metacarpal and phalanx  
articulation.

And that in my opinion he is  
unfit for duty.

And I further declare my  
belief that he will not be able  
to resume his duties in a less  
period than

Inasmuch as the above mentioned  
officer is a good soldier, and an honorable  
man, I recommend that he be  
allowed a furlough of two weeks or  
20 days - it being understood that not-  
withstanding his unmanageable finger  
he is too good a man to lose.

NOTE 1.—This blank will be used for both enlistment and re-enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A soldier must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

C. & A. Merrill's Regt.  
File 2 Mo Cavalry

In answer to endorsement and enclosed statement, the reasons why Mugford was marked on the Descriptive Roll as discharged. When the regiment took the field in Oct. 1861 a large number of sick men were left in the barracks with a detail to care for and guard them. Their number was constantly increased by recruits for the different companies who were under command of the late Major Marshal. Where no officer was in command of the different detachments of companies, an intelligent Private was appointed to make morning reports and to command the company. Private Als. DuTour officiated as such in company "A" and a remark made by him in one of the morning reports of Dec. 31/61 is the only foundation for reporting him discharged. Major Marshal designed to fill a regiment of 12 companies, and a large number of recruits arriving from which they were designated C. & A. and the recruits. Officers appointed over.

Rec'd H. S. Dept. Mo. Feb. 21/63

Captain. Col. Merrill afterwards consolidated the companies and transferred 30 men of C. & A. to C. & A. The captain of C. & A. was assigned to command of "A" Co. (Dec. 11. 1861). The records of Detachment C. & A. were in a disordered state. Private Du Tour had what was purported to be, a correct Muster Roll of C. & A. as originally formed, and from this the Muster Roll was prepared.

Nothing was heard from Mugford and on Dec. 31/61 he was reported discharged on the authority of Du Tour's remark above referred to, when properly it should have been deserted. This Soldier was on duty until tattoo sick and his absence should be attributed to his sickness and ignorance. If by his long absence he has not forfeited all claims against the Gov't he ought to be entitled to discharge and pay, the latter however only for a reasonable time in which he should have reported to his company.

Mayford, Wm

2 mo Com

Agent Quartermaster Merrill Horse  
Camp Union Hannington Mo  
Feb'y 13<sup>th</sup> 1863 -

Sir

I have the honor to submit the following Statement, in regard to Private William H. Mayford - formerly of Company "A" Regiment of "Merrill Horse" - asking that he be discharged, by order of the General Commanding the Department of Missouri or other competent authorities to date Dec 3<sup>rd</sup> 1861 -

Private Wm H. Mayford was enlisted at St Louis Mo - September 3<sup>rd</sup> 1861 in Company "A" Regt of Merrill Horse - and left with a detachment of the Regt which took the field with the Great Vermont Expedition after Pico in the fall of 1861 - He was taken sick and sent back to St Louis - instead of going to the Hospital belonging to the Regt or any General Hospital, he went to his own house, near the "Barracks" in St Louis - where he remained by permission of the Officer in Charge of a detachment of his Regiment then stationed at Benton Barracks - By some unauthorized proceeding he was marked "discharged" on the Company Books

Dec. 2<sup>d</sup> 1861 - And was so reported at  
the next "meeting" and has been so reported  
and considered up to date - The organ-  
- izing case only be accounted for by reason  
of the disrupted condition of the Company  
and unorganized state of the West - at  
that time - Its name can be attached to the  
"National" <sup>on</sup> account of his ill health and  
illness - he promptly thought he had  
been discharged or was to be dis-  
- charged - he remained absent from his company.

ed, he remained absent from his company.  
He attended to go Certificate of the  
Surgeon of the Regiment in the Case

J. J. Fox, D. Justice  
 R. H. Fox, D. Justice  
 Merrill Fox

The facts set forth in the above statement are substantially correct and just. I think that sometime in November or December 1861 I made out for him a certificate of disability, which was lost by the Commanding Officer of the Company or Regiment. The irregular and unsettled state of matters connected with the regiment at that time doubtless precluded a proper attention to this man's case. He is disqualified for the service, and ought in justice to receive an honorable discharge. ANSON

Sir

In compliance with  
your Enclosure - on Enclosed statement  
I have the honor to submit the further  
particulars which I have been able to  
obtain from the records of the Company  
I will explain the reasons or cause of  
Mugford being marked on the Description  
Book as discharged - When the Regt took  
the field Oct 3-1861 - Many of the Sick  
(and there were a large number) were  
left in the Barracks with a sufficient  
detail to care for and guard them -  
This number was constantly augmented  
by the arrival of recruits for the different  
Cos and the Sick of the Regt who were  
sent back for care and treatment. All were  
under the immediate charge of Major  
Marshall late of this Regt - Morning  
reports were required from the different  
Companies and when an Officer or Non

Officer  
Comp. was present - the case of recruiting  
thru was entrusted to some intelligent  
private who was appointed "Lance Surgt -"  
and assigned the Command of the Det of  
his Company - Private A. G. Du Tour officiated  
in this capacity in Company "A" and a  
remark made by him on his morning report  
Dec 3-1891 which is now in my possession is all the  
justification there is now or ever has been  
for reporting him "discharged" - It was the  
design of Major Marshall to fill a Regt-  
of 12 Companies - and a large Detachment  
of recruits arriving from Michigan they  
were designated Co "L" and the recruit-  
ing Officer was appointed Captain -

Soon after Col Merrill re-  
turned to St. Louis to complete the outfit-  
and organization of the Regt - and as  
many of the Companies had not yet  
a minimum number - He resolved to  
consolidate them and muster 10 Companies  
this was accomplished by transferring  
detachments of Co "L" to the weaker  
Companies - 30 men of "L" were  
transferred to Co "A" and thus being a  
vacancy of Captain in "A" the Capt of "L" was  
assigned the Command - The muster rolls  
were then prepared and the Company -  
mustered on the day the transfer was

Dec 11 1861  
accomplished - The records of the Det-  
of Co's were in a disordered state  
and it was impossible to ascertain whether  
the Det in the field was reported correct-  
ly or not, but it was supposed that if  
a mistake had occurred it could be  
corrected in the next muster - Private  
Da Rou had what purported to be a correct  
Muster Roll of the original Co's and  
from this the "Master in Roll" was prepared -  
The Det took the field Dec 24<sup>th</sup> - Nothing was  
heard from Mayford and Dec 31<sup>st</sup> he was re-  
ported "discharged" on the authority of Da Rou's  
remark on the morning report - When prop-  
-erly it would have been "Deserted" - The Soldier  
was on duty from the date of Enlistment  
until taken sick - and sent back to St Louis -  
If by his long silence he has not forfeited all  
claims upon the government - I would think  
him entitled to pay and discharge - I  
think his silence is more to be attributed  
to his ill health and ignorance than a desire  
to evade the conditions of his enlistment

# DECLARATION OF RECRUIT.

I, James M. Miller, desiring to VOLUNTEER as a Soldier in the Army of the United States, for the term of THREE YEARS, Do Declare, That I am 24 years and 0 months of age; that I have never been discharged from the United States service on account of disability or by sentence of a court martial, or by order before the expiration of a term of enlistment; and I know of no impediment to my serving honestly and faithfully as a soldier for three years.

GIVEN at St. Louis, Mo. the 24 day of September, 1892  
Frederick Muller

Witness:

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Regt. Murill's Heavy  
Commanding Company. J. R.

NOTE.—Two of these certificates, (or duplicate,) are to be given to each volunteer soldier who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other officer commanding the company, will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier, by the Paymaster;—the latter only retaining as his voucher the duplicate certificate.

# ARTICLES OF WAR.

When any non-commissioned officer or soldier shall die, or be in the service of the United States, the then commanding officer of the company shall, in the presence of two other commissioned officers, make an account of what effects he died possessed of, above his equipment, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. No officer, or soldier, should, before they have accounted to the commanding officer for the same, have permission to leave the regiment or detachment or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the adjutant, all the effects of such deceased non-commissioned officer or soldier, in order that the same may be secured for, and paid to the proper representatives.

## ARMY REGULATIONS—EDITION OF 1861.

### DECEASED SOLDIERS.

Inventory of the effects of deceased non-commissioned officers or soldiers, required by the 55th Article of War, will be forwarded to the Adjutant General, by the commanding officer of the company to which the deceased belonged, and a duplicate of the same to the adjutant of the regiment. The inventory of pay, clothing, &c., will be sent with the inventory of the effects of a soldier; also at a post or station nearest from his death, to the Adjutant General, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, stating his rank, place, and cause; to what time he was last paid, and to what effects he was entitled at the time of his decease; and will be noted on the next muster roll of the company to which he belonged. Each inventory will be entered, "Inventory of the effects of \_\_\_\_\_, late of company \_\_\_\_\_, regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186\_\_\_\_." If a legal receipt for the effects, it will be stated in the report. If the effects are not received, the fact will be reported.

Should the effects of a deceased non-commissioned officer or soldier be administered upon within a short period after his decease, and he disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they are claimed by the legal representatives of the deceased.

In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the commanding officer, accompanied by the Paymaster's receipt, will be forwarded by the commanding officer to the Adjutant General. The statement will be entered, "Report of the effects of \_\_\_\_\_, late of company \_\_\_\_\_, regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186\_\_\_\_."

The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General.

When the effects are turned over to the relatives of the deceased, these inventories are sent to the Adjutant General, their number should be attached to the inventories. In all other cases, they will be sent with a letter of transmittal sent to the Adjutant General, and a duplicate retained by the officer.

Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent to the Adjutant General and one retained by the officer.

1st Lieut. Commanding Company.

I CERTIFY, that I have carefully examined the said private Muser of  
Captain J. W. Baird's Company, and find him incapable of performing the duties of a soldier

because of (Here consult par. 1134, p. 241, and directions on Form 12, p. 200, Med. Dept. Gen. Reg.) a disease of the bones of the cranium  
involving the mastoid process of the temporal bone, as also the petrous portion (judging from the symptoms  
of the same bone). Said private Muser has been affected with symptoms which resemble  
hemiparesis for a length of time before the true nature of the malady developed itself, but they  
resisted the remedies usually resorted to for the relief of neuralgia & rheumatism of the scalp,  
until finally its real character was revealed, which induces me to advise that he be discharged  
which I accordingly do.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as 4, 5, &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and the disability, the nature, degree, and origin of which are correctly described in the within certificate."

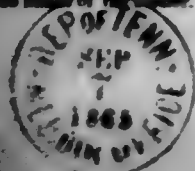

For 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs,phthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificates be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who, if the discharge is authorized by the endorsement of the proper authority, will sign the soldier's discharge, and the last certificate on this paper, certifying that the soldier is furnished with the proper final statement in duplicate, and forward both of these documents direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

COPIATE WITH INVENTORY. SENT 2<sup>d</sup> AUDITOR

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the amount for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of his account. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Ad Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sattler and Launderess must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a *veteran*, (or *recruit*) as the case may be, should be interlined after the words mustered into the service of the U. S. A statement of all the installments of *Veteran* or *Recruit* Bounty RECEIVED by the Soldier must be made on the back of each final statement.

*No Bounty Paid*

Camp Thomas, Chattanooga Tenn  
June 29 1861-

Sir,

I hereby respectfully make application to be  
mustered out of the service in the coming consolidation  
of the Regt. My reasons are as follows:

My father having died since my entry into the service, left  
my mother ~~alone~~ is nearly sixty years of age, and two sisters, with no  
help save such as could be hired, and the consequence is my mother's  
farm is fast going to destruction; and her present growing crops will  
be wasted unless I can be at home to see that they are saved.  
I deem it my duty to return home at an early day, if possible, to  
look after the interests of my mother's family.

And as my leaving the service will allow that, better than remain-  
ing in the Army. I earnestly my request will meet with favorable  
consideration.

Very Respectfully

# FINAL STATEMENT

OF

*Private Charles Newman*  
*Co M Regt of Merrill's Horse*  
*2<sup>d</sup> Mo Cav*  
**VOLUNTEERS.**  
*Disced 191163*

**NOTE 1.**—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificate; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

**NOTE 2.**—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

**NOTE 3.**—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be submitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

**NOTE 4.**—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

**NOTE 5.**—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

**NOTE 6.**—Amounts due the Butler and Landress must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

**NOTE 7.**—This blank will be used for deceased volunteers and drafted men, as well as for others.

**NOTE 8.**—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

**NOTE 9.**—If the soldier is a drafted man or substitute, the space for time, &c., if enrolled, should contain only the word *drafted or substitute*, as the case may be. If the Soldier is a "VETERAN," (or RE-ENLISTED) the words *as a veteran*, (or *re-enlist*), as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the Installments of Veteran or Re-enlist Bounty RECEIVED by the Soldier must be made on the back of each final statement.

Given in Duplicate, at Chattanooga Tenn, this 7<sup>th</sup> day  
of July, 1865.

R B Hughes  
Capt Merrill's Horse  
(2nd Missouri Cavalry)  
Commanding Company "M"

Chas. Newman

Head Quarters Menille Horse  
Columbiana Mo April 30<sup>th</sup> 62  
Special Order  
1081

At a Regimental Court martial  
which commenced at Glasgow Mo April 28<sup>th</sup> and  
of which Capt J. M. David Regt Menille Horse is  
President was arraigned and tried Pvt Jas.  
Norman of Comp E Regt Menille Horse on the  
following charge and specification

Charge Absence without leave.

Specification In this that Pvt Jas Norman  
of Comp E Menille Horse did leave his Company  
and Regiment without permission from the proper  
authority on the 3<sup>rd</sup> day of April 62 and did  
remain absent until the 12<sup>th</sup> day of April 62.

This at Camp Lewis Glasgow Mo.

In case of which the accused pleaded guilty  
the Court after mature deliberation confirmed the  
plea of the prisoner and finds him guilty as  
charged and do therefor sentence him To wit  
that Norman of Comp E Menille Horse to be confined  
on bread water for five days in the guard house and to  
be reprimanded by the Colonel Comd of the Regt

Findings and sentence in the foregoing case  
approved and the Commanding officer at Glasgow  
will see that the sentence of confinement is carried  
into effect. Pvt Norman's offense was a very  
serious one and merited a much more severe  
punishment than the Court awarded it. Doubtless  
the Court took into consideration the mitigating  
circumstances attending Norman's absence and  
lenient accordingly. But the Court should  
nevertheless have made the sentence adequate  
to the offense and if mitigating circumstances

appeared they might then find the ground for a recommendation to the clemency of the Commanding Officer but not of a sentence inadequate to the offence. This has already in one case been announced in orders and the Court should have born it in mind.

Port Newman may learn by this that the first duty is to obey and however urgent the claims of other duty his duty as a soldier comes first.

II The regimental Court martial of Capt Baird is hereby President is hereby dissolved

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may on once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, as duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, muster-in clerk, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before sending them to the disbursing officer.

# FINAL STATEMENT

*John P. P.*  
*Port Richard O'Connor*  
*Co. K Regt of Merrill's Horse*

*Died July 10 - 1864*  
**VOLUNTEER**

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. (Final Statements are never given to men mustered out of service.) That he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., or expired, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or *recruit*;) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of Veteran or Recruit Bounty RECEIVED by the Soldier must be made on the back of each final statement.

Sir

Enclosed please find Duplicate  
final statements of Pvt. Richard O'Connor, Co. "K".  
Merrill's them, as made out from the records now in my possession.  
Pvt. Richard O'Connor was at the time of his death in U. S.  
Genl. Hospital, Little Rock, Ark. And when sent there was -  
awaiting sentence by G. C. M., tried for the murder of a member  
of the Company. The proceedings of the Court it is presumed  
were lost; never being heard from. He died before  
reorganization of the Veterans and therefore never came  
under my administration. His Descriptive list never  
being returned from the hospital, it was supposed his  
final statements were sent from there.

Very Respectfully,

NOTE 1.—This blank will be used for both enlistments and reenlistments of soldiers, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (and the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company to which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds for service. A muster-in must, in all cases, furnish payment of pay, bounty, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's office as evidence of muster-in. The mustering officer, customary, or assistant commissary of musters, as the case may be, will countersign both enlistments as he mustered the soldier into the service before being sent to the Adjutant General's office.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting agent of the superintendent (not the recruiting officer) to the Adjutant General's office to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

# VOLUNTEER ENLISTMENT.

STATE OF

Ohio

TOWN OF

Cincinnati

I, Robert Croxend born in Cincinnati  
in the State of Ohio aged 18 years,  
and by occupation a Gentleman Do HEREBY ACKNOWLEDGE to have  
volunteered this 19 day of September 1864,  
to serve as a Soldier in the Army of the United States of America, for  
the period of three YEARS, unless sooner discharged by proper authority:  
Do also agree to accept such bounty, pay, rations, and clothing, as are, or may be,  
established by law for volunteers. And I, Robert Croxend do  
solemnly swear, that I will bear true faith and allegiance to the United States  
of America, and that I will serve them honestly and faithfully against all  
their enemies or opposers whomsoever; and that I will observe and obey the  
orders of the President of the United States, and the orders of the officers  
appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to, as

this 19 day of Sept 1864 } Robert Croxend  
Before G. T. C. Kane

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably  
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and  
mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

A. E. Higginway  
H. A. Garrison  
EXAMINING SURGEON.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, Robert Croxend  
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my  
judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the  
duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting  
service. This soldier has gray eyes, Brown hair, fair complexion, is five  
feet 6 inches high.

Day C. Kerue  
H. A. Garrison  
Regiment of Missile Horse  
RECRUITING OFFICER.

Mustered into the service of the United States, for three years or during the war from date of enlistment, in Company —  
Regiment of Missile Horse Volunteers, on the 20 day of Sept, 1864, at Cincinnati.  
Sum to pay in full for this

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting papers of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

## DECLARATION OF RECRUIT.

I, Robert Overend, desiring to VOLUNTEER as a Soldier in the Army of the United States, for the term of THREE YEARS, Do Declare, That I am Eighteen years and two months of age; that I have never been discharged from the United States service on account of disability or by sentence of a court martial, or by order before the expiration of a term of enlistment; and I know of no impediment to my serving honestly and faithfully as a soldier for three years.

5. Upon the recommendation of a Special Commission appointed under Circular of August 28<sup>th</sup> 1863. War Department A. G. O. Private Michael Conner, Co. K. 2<sup>d</sup> Mo. Capt Wm E Taylor absent with leave.

The Commission proceeded to investigate the case  
of Michael Curth Private Co "K" 2<sup>d</sup> Mo Cav.  
From a careful examination of the said Curth  
it appears that he was not aware of his having been  
transferred to the 2<sup>d</sup> Mo Cav. <sup>until very recently</sup> but supposed he was still  
on detached service & acting on his sick, did go to Wash-  
ington, as soon as he was able to travel, to report himself, and  
that he endeavored to inform his commanding officer, by  
letter of his situation, but being unable to write in English  
had <sup>asked</sup> ~~got~~ a friend to write for him and does not know that the  
information was ever sent. From the testimony of the said  
Curth, as well as the facts set forth in the accompanying  
papers, the Commission are of the opinion that he,  
the said Michael Curth, ought not to be considered  
a deserter.

# FINAL STATEMENT

R180

OF

*Samuel Palmer,*  
 Reg't of *McNeill's*

**VOLUNTEERS.**

*Samuel Palmer*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laurence must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or *RECRUIT*), the words as a *volunteer* (or *recruit*), as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Pension or Bounty RECEIVED* by the Soldier must be made on the back of each final statement.

The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A recruit must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Camp, near Little Rock, Ark.

May 7<sup>th</sup> 1864.

Sir:

I have the honor to call the attention of the Comdg. General to the following cases of desertion in Company "A" Regt. "McCrill's Horse".

About the 7<sup>th</sup> June/63, while the regiment was encamped near St. Louis Mo. Corporal Edmund Shidler and Private William Patton, left camp without permission from the proper authority; and were not heard of again, until some time <sup>in</sup> Aug. /63.

Between the 15<sup>th</sup> and 21<sup>st</sup> Aug., while the Regt. was on the march to Arkansas, I received notice from Col. Myers, 2. M. St Louis, Mo., that Shidler and Patton had been arrested, as deserters, and to charge each of them, on next muster & Pay rolls ten dollars (\$10) for their apprehension.

With the exception of the communication from Col. Myers, I heard nothing more of them until last October. During that month they joined the regiment at Brownsville Ark. and reported to me that they had been released.

from arrest, at St. Louis and ordered to join  
their regiment in Arkansas

The case of Private Wm. N. Stewart  
is somewhat different. He left his regiment in  
January/63, and voluntarily returned about the  
same time this year.

These men have, since their return,  
been good soldiers — always ready for duty —  
and in the late campaign, served faithfully, either  
~~both~~ mounted & dismounted; And as ~~they~~ Thidder  
and Stewart, have reenlisted as Veterans (Private  
Patton, being unfit, physically, to be a Veteran) I do  
most respectfully recommend that they be pardon-  
ed and ~~returned~~ <sup>restored</sup> to duty without trial, with the  
condition, however, that they shall make good  
the time lost by desertion, forfeit all pay and  
allowances from the time of absenting them-  
selves to the time of their apprehension (or return)  
and to ~~forfeit~~ refund to the government (in the  
case of Thidder & Patton) the expenses incurred in  
their apprehension

I CERTIFY, ON HONOR, That I have carefully examined the above named Recruit, agreeably to the General Regulations of

I CERTIFY, ON HONOR, That I have minutely inspected the Recruit, James H. Paul previously  
enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age,  
that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly observed the Regulations  
which govern the recruiting service. This soldier has blue eyes, light hair, fair complexion, is

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as  $\frac{1}{2}$ ,  $\frac{3}{4}$ , &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1230 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward those papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington D. C. they will not, under any circumstances, be given to the hands of the soldier.
